

# HOW TO LEARN FOREIGN LANGUAGES

## 10 TIPS FOR EFFECTIVE LEARNING

- ▶ Prepare for lessons.
- ▶ Be active.
- ▶ Speak in the target language.
- ▶ Make mistakes.
- ▶ Go over new things regularly.
- ▶ Connect new words or grammar with a picture, feeling or a story.
- ▶ Make your own vocabulary cards.
- ▶ Remind yourself why you learn.
- ▶ Find situations where you can use the language.
- ▶ Look forward to it.

### TOO MANY NEW WORDS

Focus on 5 words per day maximum.

### DIRECT TRANSLATION

Every language is different and translating word by word doesn't usually work.

### SIMPLIFICATION

Don't avoid talking in full sentences.

### FOCUSING ON EVERY WORD

The goal is to understand the meaning, not every word.
