

HAVE SOMETHING DONE

HAVE SOMETHING DONE

To **have something done** means that somebody else does something we want or need for us. This usually happens when we can't or don't want to do something ourselves.

BEING RICH

There are many benefits to being rich. Tom is one of the richest people in the world and **has many things done** for him every day. Tom doesn't have to **do** his **laundry** or **vacuum** his home. He has a new **suit** made for every **event**, and has his hair cut every two weeks with golden **scissors**. Tom is not a lazy person because he's **addicted** to his job. He's always at the office and doesn't have time for anything else.
